

# LAND LOADING ARM

### Top Loading Arm

**Diameter:** 1" ,2" ,3" , 4"

**Material:** SS, CS, PTFE lining

**Optional Items:** loading valve, ball valve, position sensor, level switch

**Operation:** manual, pneumatic

### Top Loading Arm with Heat Tracing

**Diameter:** 3" , 4"

**Material:** SS, CS

**Optional Items:** loading valve, ball valve, position sensor, level switch, pneumatic cylinder

**Operation:** manual, pneumatic

### Top Loading Arm with Sealing Cone

**Diameter:** 1" ,2" ,3" , 4"

**Material:** SS, CS

**Connection:** drop pipe with sealing cone

**Optional Items:** loading valve, ball valve, position sensor, level switch, vapor return hose

**Operation:** manual, pneumatic

### Folding Stair

**Diameter:** 3" , 4" , 5"

**Material:** CS

**Optional Items:** safety cage

**Operation:** manual, pneumatic, hydraulic

### Bottom Loading Arm with Vapor Return

**Diameter:** 2" ,3" 4"

**Material:** SS, CS

**Connection:** flange, quick coupler

**Optional Items:** vapor arm, break-away coupling, vent valve, ball valve, dry break away coupler, CGA coupler

**Operation:** manual

### Bottom Loading Arm with API Coupler

**Diameter:** 4"

**Material:** CS

**Connection:** API coupler

**Optional Items:** breakaway coupling, composite hose, SS hose

**Operation:** manual

### Bottom Unloading Arm

**Diameter:** 6" , 8"

**Material:** CS, SS

**Optional Items:** quick coupler, ball valve

**Operation:** manual

### CNG Bottom Loading Arm

**Diameter:** 1" , 2"

**Material:** CS, SS

**Optional Items:** flange

**Operation:** manual

We Know Loading Arms

We Know Standard, We Know Manufacturing

We offer specialized loading arms design for every type of tanker. Just let us know your fluid type, design flow rate, and tanker specifications, and we will provide you with a complete design and solution.
